MARCH 29, 1973

Bar None pancakes will never put Dinwoodie Lounge out of business, but can the Faculty Club stand the competition? In addition to serving up pancakes with honey or jam, the Aggies provided some lively, colorful entertainment—their square dancers toured the campus, performing wherever there was an electric plug for the musicians' instruments.

PEOPLE

■ S. R. MUNRO, Associate Professor, has resigned as Director of the English Language Service effective June 30, 1973. Professor Munro will continue his appointments as Associate Professor in the English Language Service and half-time Assistant Dean in the Faculty of Arts.

■ G. S. H. LOCK, Professor of Mechanical Engineering, has been awarded a grant of \$103,000 for the design and construction of an ice-water tunnel. Dr. Lock, together with other members of the Faculty of Engineering's Arctic Engineering Research Group, R. R. GILPIN, K. C. CHENG, and D. J. WILSON, will use the facility to study underwater icing.

■ SALEEM QURESHI, Professor of Political Science, has been invited to read a paper at the Pacific Northwest Political Science Association meeting in April. During February, Professor Qureshi participated in the XIII Annual Conference of the Society for International Development held in San Jose, Costa Rica.

■ JOYCE BOORMAN, Assistant Professor of Physical Education, has given talks on the dance and drama at Vancouver City College, the Edmonton City Teachers' Convention, and the Victoria and Saanich Teachers' Convention. She also conducted a dance workshop for the Canadian Association for Health, Physical Education and Recreation, and was guest lecturer at the Canadian Dance Teachers' Association Workshop in Victoria.

■ ROBERT R. WILSON, Assistant Professor of English, presented a paper to the annual meeting of the Pacific Northwest Renaissance Conference held at the University of Oregon.

■ E. H. SHAFFER, Associate Professor of Business Administration and Commerce, was one of the two featured speakers at the Loyola College eighth annual Economics Conference held in Montreal.

■ L. C. GREEN, University Professor and staff member of the Department of Political Science, attended the 26th Annual Conference on World Affairs held at the University of Colorado. Professor Green also lectured to the Faculty of Law at the University of Colorado.

■ JAMES G. MAC GREGOR, Professor of Civil Engineering, was elected to the Board of Directors of the 15,000 member American Concrete Institute at their annual convention in

Atlantic City last week. His term of office will be three years. Dr. MacGregor is the second Canadian to be a member of the Board in the 68 year history of the Institute.

NOTICES

INCOME TAX ON LEAVE REMUNERATION

The following notice has been received from M. A. ROUSELL, Comptroller.

The following should be of interest to faculty members planning leave of absence with financial assistance in 1973.

During the 1971 and 1972 calendar years, many faculty members on leave of absence outside Canada who were able to establish the status of a non-resident, were able to obtain exemptions from income tax on portions or all of their leave remuneration. In both years, because of the structure of the Income Tax Act, the Board of Governors authorized the prepayment by December 31 of the balance of the leave remuneration that would normally have been paid in the following year (subject to certain conditions). Staff members now planning paid leave commencing this year have been enquiring as to what conditions will prevail for 1973.

It has now come to my attention that Budget Resolution Number 29 of the Ways and Means Committee provides that, after February 19, 1973 where a former resident of Canada is in receipt of remuneration from a Canadian employer, he or she will be deemed to have been employed in Canada and such remuneration must be included in such a person's taxable income earned in Canada.

This proposal to amend Sections 114 and

115 of the Income Tax Act would be effective for the 1973 taxation year of any individual who leaves Canada after February 19, 1973. If these amendments are approved by Parliament it would appear that the previous exemption will no longer be available.

DATES FOR FEEDERS' DAY AND RANCH FIELD DAY

The University of Alberta's annual Feeders' Day will be held on Monday, June 11, 1973.

This is a change from the traditional first Saturday in June, but in recent years participants have suggested that a later date and a day other than Saturday might be more appropriate.

As usual the results of livestock experiments completed during the preceding 12 months in the Department of Animal Science will be summarized in bulletin form and discussed by the researchers beginning at 10 a.m. Lunch will be available on the grounds at the Edmonton Research Station, 68 Avenue and 116 Street.

The University of Alberta's Ranch Field Day will be held at Kinsella, Alberta on Monday, June 18 commencing at 10 a.m. The program presents an opportunity to witness at first-hand the practical research carried on to improve efficiency and productivity in beef production, as in selection, cross-breeding, and carcass merit determination.

SPRING AND SUMMER AQUATIC PROGRAM

April 1 is the starting registration date for all spring and summer swimming sessions. Before registration, however, all applicants who are on the University payroll must hold a swimming privilege card. Cards are available in Room 116 of the Physical Education and Recreation Centre, Monday through Friday. Students do not need privilege cards, but their dependants do.

Students and holders of privilege cards may register by mail by writing to: University Aquatic Program, Physical Education and Recreation Centre, The University of Alberta, Edmonton. Cheques may be made payable to The University of Alberta. Separate sheets of paper should be used when registering in different sessions.

Students and privilege card holders who do not register by mail may register in person at Room 124 Physical Education and Recreation Centre between the hours of 5 and 8 p.m. on April 30 (for classes May 7 to June 1); May 28 (for classes June 4 to June 29); June 25 (for classes July 2 to July 13); and between the hours of 9 a.m. and 1 p.m. on July 14 (for classes July 16 to July 27); and July 28 (for classes July 30 to August 10).

Swim fees are \$5 for children and \$8 for adults.

The general public may also participate in the aquatic program, but must register

personally at Room 124 during the last two hours of the registration periods listed in italics above. Their fees will be \$7 for children and \$10 for adults.

Further information and detailed schedules of all courses may be obtained by calling RON KIRSTEIN or RON BROWN at 432-3570.

CANADIAN HYDROTECHNICAL WEEK

For the convenience of Canadian scientists and engineers three separate meetings have been combined into one. Hydrotechnical Week will be held May 7 to 11, in the Mechanical Engineering Building on this campus.

The three meetings are: "Ice jams in Canada" sponsored by the National Research Council Snow and Ice Subcommittee, *registration fee \$10* (including lunch on May 7); 9th Canadian Hydrology Symposium, sponsored by the National Research Council Hydrology Subcommittee, *registration fee \$20* (including banquet on May 8); Canadian Hydraulics Conference, sponsored by the Department of Civil Engineering, The University of Alberta; the Canadian Society for Civil Engineering; and the Research Council of Alberta, *registration fee \$20* (including buffet dinner on May 10); Ladies' social events during Hydrology Symposium or Hydraulics Conference, *registration fee \$8* (including either banquet or buffet dinner).

Participants may register for individual conferences or for the entire week at a special fee.

For registration forms and further information, call the Department of Extension, 432-3116.

EXTENSION COURSES

A short course in wills and estate planning will be held by the Department of Extension beginning April 11. The course is designed for the general public and no previous knowledge of the subject is assumed.

The class will meet for four Wednesday evenings from 7:30 to 9:30. The registration fee is \$15. Husband and wife may register for \$25 and share one set of materials. Registrations are now being accepted at Corbett Hall, telephone 432-5068 during the day, 432-3116 after office hours.

A workshop for acreage owners who wish to develop long range plans for their property in order to encourage wildlife will be offered by the Department of Extension in conjunction with the Parkland Acreage Owners' Association beginning April 10.

The workshop will be held for five Tuesday evenings from 7:30 to 10 and there will be a day-long fieldtrip on Saturday, April 28. The registration fee is \$50 with no additional charge for spouses. Registrations are being accepted at Corbett Hall, telephone 432-5042 during the day, or 432-3116 after office hours.
